

Corporate Profile

Kyul Group Inc. — Integrated Project Delivery & Investment, Eastern Africa

Kyul Group Inc. is the apex holding and governance entity of the Kyul corporate family — an umbrella organisation that consolidates brand authority, strategic direction and capital across a portfolio of six specialist operating companies. From a single governance structure, the Group originates, designs, finances, builds and operates bankable projects across Eastern Africa.

Vision & Mission

Vision: To be Eastern Africa's most trusted integrated project delivery and investment group.

Mission: We originate, design, finance, build and operate bankable projects that create jobs, infrastructure and lasting shareholder value.
